Dietary Requirements

At Eastwood Park there will be several food options available for all students, allowing them to choose what they eat. These include:

- A pizza truck
- Burgers/Hot Dogs/ Fried Chicken
- Fries & Salad
- Ice creams
- Donut bar
- Candy floss
- Chocolate fountain / fondue
- Vegan and vegetarian counter
- Drinks package - free flow soft drink

If your child has a specific dietary requirement that is not catered for above, then please let us know. They should also remind the serving staff of their dietary requirement as they collect their food.

Medication for the event

As this is an event organised away from the school curriculum and after students have finished their exams, KLB staff are not required to carry student medication.

It is important that all students who may require medication during the evening, including in response to an allergic reaction, make sure they have access to this on the evening themselves.

Finally, please note that the prom is a school event, and all usual school expectations apply. This includes no vaping, smoking, or alcohol. If we suspect a student to be under the influence of alcohol or drugs, they will be removed from the event and a parent or carer will be contacted to collect them immediately.

We look forward to seeing everyone dressed to impress and ready for a memorable night!

Yours faithfully
