KLB Parents' Survey 2026

- KLB builds resilience for students, cares, listens, supports, nurtures and celebrates achievements.
- It has been an absolute joy to be part of KLB - thank you to everyone that makes this school a place where a child can flourish.
- Building a caring environment for the children - my son feels very much part of a community.
- How safe the children feel at the school & how it's okay to make mistakes and be challenged; high expectations; excellent teaching staff; clubs run; communication with home; the transition into Y7 was excellent for my daughter (only pupil coming from her primary school)
- Each child is taught rather than each class being taught.
- I love the values-based approach to the students' experience at school.

Equity at KLB

We aim to ensure that every student feels valued, included, safe, and able to succeed regardless of their background, abilities, or personal circumstances.

The school's values emphasise:

- **Fairness and inclusion** — making sure all students have equal opportunities to learn and participate.
- **Respect for all** — creating a welcoming environment where differences are accepted and celebrated.
- **Support for individual needs** — including students with SEND, disabilities, autism, ADHD, or other additional needs.
- **Community and belonging** — helping every student feel part of the school community.
- **Advocating for fairness and equity** — one of the school's published values is courage, including standing up for fairness and equity.

Free School Meals

South Glos – phone 01452 425390 to speak to Glos FSM and explain your child is moving to KLB.

FSM is a daily, subsidised amount to the value of £3.30 to spend on a nutritious meal.

Benefits of nutritious food during the school day:

- helps to improve learning and memory
- helps to promote good behaviour (hungry children cannot focus on learning)
- helps to promote long-term healthy eating habits for overall wellbeing mentally, emotionally and physically

- Other benefits to KLB students having Free School Meals include:
 - Subsidised costs for school trips and activities
 - Financial contributions towards music lessons and free musical instrument hire
 - Classroom resources provided (equipment, calculators, mini white boards etc.)
 - Financial support towards the cost of uniform and PE kit. **See transition booklet QR code**
 - Sanitary items provided
 - Additional support for GCSE students

Mobile phones

- No expectation for students to bring a mobile phone to school.
- No expectation for students to own a smartphone.
- If a phone is brought to school, it must be switched off and kept in a bag throughout the school day.
- Students can contact home through the school office if necessary, and parents can contact students via the school office in an emergency.
- Current arrangements are under review following recent Department for Education guidance.
- Parents will be updated with any developments.

A note about social media...

- Many Year 6 students set up new WhatsApp groups after meeting each other
- Minimum age – 13

Common problems:

- Messages sent late at night that cause anxiety or upset
- Arguments or falling outs that carry into school life
- Inappropriate language, jokes or images being shared
- Students feeling left out if not included in certain groups
- Pressure to respond instantly or be involved in every conversation

Any questions?
